A: There is no new dongle in version 2.5 as you can see in the screenshot: Also, the dongle to have licence keys for version 2.5 is the VISTITLE 2V4. After installing the VISTITLE 2V4, you can validate the licence keys in the license panel, if it is for VISTITLE 2.5. If you use the 3.11 version, there is no new dongle and the licence keys have to be installed manually, if your VISTITLE is renewed after you use the VISTITLE 2V4. A: No, there is no new dongle in version 2.5. A 7-year-old girl has died after a large bus carrying

---

about 30 pupils overturned on a New Year's Day school trip on a private road in Llanelli, south Wales. It is understood that the bus was travelling along Whitmore Avenue in the Llanelli area of Carmarthenshire, when it turned right into a grass verge and overturned. The children were airlifted to University Hospital of Wales and pronounced dead at around 1pm, Welsh emergency services said. Welsh ambulance service paramedics said the cause of the crash was not yet known and that efforts were focused on treating the injured students. Welsh Ambulance Service spokesman Kevin McKenna described the incident as a "bus crash". A total of 24 pupils and five adults were believed to have been on the vehicle, local media reported. Welsh police said the children appeared to have been travelling towards Wales in the Republic of Ireland. The Welsh Ambulance service also tweeted that both ambulances involved in the crash were "unavailable" for urgent road traffic injuries. Local councillor Aled Roberts told the BBC the bus had been carrying children to Carmarthen for an end of year concert. He said the site had been fitted with speed bumps after the incident, after local residents requested such action. "I think [the bus driver] was doing 50mph," he said. "Perhaps one of the bumpers weren't there, or they didn't have enough time to react." Emergency services in Wales said they were still investigating the incident. Networks have emerged which allow individual computers, also known as "nodes"
